

7/18

25X1

25X1

 brought this up as a final draft of the MOU. Political issues and charter-type information has been deleted so that it speaks only to the physical requirements.

25X1

 would like to discuss security matters and the type of office layout (in order to accommodate the requested personnel increase for the '81 budget).

25X1

*Chopped through HTD & STO*
